

To make life easier during the Back to School period, we have joined OfficeMax MySchool. This is an online and retail offer direct to parents and students where they can buy all their stationery requirements.

This offer allows orders to be placed directly online over the internet and by mail order. It also allows the parent/student to go into the OfficeMax Store at [32 Normanby Road in Mt Eden](#). This store is setup during the Back To School period with all the school lists available and products required on the lists.

If a WINZ quote is required, you may obtain the quote through the Glendowie OfficeMax MySchool Website by going through the process of placing an order. Before you go to confirm the order, you can print a copy.

Another option is to go into the OfficeMax Mt Eden retail store and the staff will be able to help you with the quote for WINZ.

We would encourage our parents and students to purchase through this offer, as the school also benefits and your purchases allow us to reinvest the gains made back into the school.

Alternatively, you can print the list and purchase your requirements from your own choice of stationery supplier.

If you wish to generate a stationery list, simply click on the Year your child is taking and the list will be created. It is simple as that and easy to use!

How do you order your stationery? Please watch the video on the [MySchool Home Page](#)
