This may end up in your junk or spam folder.

Fill out your profile

Enter your personal, emergency contact, medical and consent details.

Use the dropdown box to select your school. If your school isn't there, select 'Other School' and enter your school name.

School Verification

If you are signing up for a school event Bigfoot need to verify you as a student from that school for you to then be able to see your school specific dates in the calendar. Until then, you will only be able to see our public event dates. This is a manual verification and may take a day or two, so please be patient.

Note - if you haven't selected your school when creating your profile OR registered with your school coordinator, Bigfoot cannot verify you. Register for DoE with your school coordinator BEFORE you book any Bigfoot events.
